What You Need to Know About Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in different ways:

1. We have a **Courtesy Pay** program that comes with your checking account.
2. We also offer the ability to transfer available funds from savings and a line of credit to cover the overdraft. Both options are less expensive. To learn more about these options, please call us at (800) 338-6739.

➤ What is the Courtesy Pay program that comes with my checking account?

We do authorize and pay overdrafts for the following types of transactions:

- Checks you write
- Electronic payments (ACH) you authorize using your checking account number
- Automatic bill payments

We will not authorize and pay overdrafts for everyday debit card transactions and ATM withdrawals.

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any transaction type. If we do **not** authorize and pay an overdraft, your transaction will be declined.

➤ What fees will I be charged if Deere Employees Credit Union pays my overdraft?

Under our Courtesy Pay program:

- We will charge you a fee of up to **\$29** each time we pay an overdraft.
- There is no limit on the total number of fees we can charge you for overdrawing your account.

➤ What if I want Deere Employees Credit Union to authorize and pay overdrafts on my everyday debit card transactions?
